Special Note to Bible Land Tour Members

Many of the articles in this list pertain to places we have visited on our tours. I suggest that you look through the list, select articles, and read as many of them as you can. Many of these articles will contain out-of-date information, but they will provide the status of knowledge at the time they were written. If you don’t subscribe to National Geographic you should be able to locate the magazines at your local library. (Ferrell Jenkins, 12/09/04).
